

DATA SHEET: CALEDONIAN PEBBLES 20-40 MM
PRODUCT CODES: 20-40BULK & 20-40SACK

DESCRIPTION:

20-40mm rounded washed river stones sourced from the Moray Firth. Naturally rounded pebbles.

SAFETY DATA.

In the condition sold, the product does not present a hazard to health. The products are not required to carry a hazard.

When chipped, stone particles can cause damage to the eyes. Eye protection to B.S. EN 166 should be worn.

When products are mechanically crushed, respirable dust will be produced which can contain silica (quartz). Engineering control measures should be employed to keep airborne dust to a minimum. If adequate local exhaust ventilation equipment is not provided, dust masks, or their equivalent, to type FFP2 should be worn.

FIRE

There are no direct risks of fire or explosion from this product.

OFF-LOADING

Ensure that the lifting equipment is suitable and will carry the weight.

FIRST AID

Where particles enter the eye, irrigate well with copious amounts of clean water. Seek medical attention, if necessary. Inhalation of dust, remove to fresh air and seek medical attention, if necessary.

DISPOSAL

Waste from stone is easy to handle, non-toxic and inert. However, its storage and disposal should be carried out in accordance with section 34 of the Environmental Protection Act: Waste Management – The Duty of Care
